

PEEWEE AA

Head Coach Ryan Cormier

Ryan Cormier is joining the Willowdale Red Wings program as Coach of the Pee wee level team. Ryan has played hockey from a very young age. He has experience working as a goalie instructor at a goalie school and has participated for a number of years as an instructor at various Toronto area hockey schools. He was the Head Coach of the Havergal College hockey team for two seasons. During the 2009-10 he coached a North York Knights Pee wee AA team which unfortunately could not carry their season's success through the playoffs. The Red Wings are pleased Ryan has accepted the position with the Association.

Ryan will be identifying assistant coaches to work with him in the near future.
